SAMPLE FURS

One-Fourth to One-Third Less
For Two Days Only

We have secured a large Sample line of high grade fur coats and sets, comprising all the popular furs which we will place on sale Wednesday and Thursday, at a discount of 25% to 33-1-3%.

In this assortment of furs are real Mole Coats, Hudson Seal Coats, Plain or Ermine trimmed; Squirrel Coats, Caracul Coats, Marmot Coats, Mole Coney Coats, Leopard Pony Coats, plain and trimmed with Raccoon and Civit Cat Collars; also handsome draped pony coats.

This is the best collection of furs we ever saw. If you will come to the store you will see it is the best your eyes probably ever rested upon.

It is a big collection.

Like all good samples each piece is perfect---in material, in quality, in workmanship, in style.

Examination becomes a pleasure because the assortments are large---because the special two days' selling price places exquisite furs within the reach of all.

One-fourth to one-third---a reduction from a reasonable basis of marking Furs, is exceptional---in the height of the season.

It is an important sale, too, because Christmas is so near. The opportunity for presents will interest many.

The Furs are first quality---and back of the transaction is the reputation of Keith O'Brien Co.

Koh-i-Nor Dress Fasteners

are essential to the perfect fit and better looks of your wearing apparel.

They snap shut and stay shut until opened with your fingers.

They save time and temper; also eye strain; there are no points to catch in lace or hair. The edges are rounded and cannot cut the thread, they cannot rust, corrode or pull off in the wringer.

Best of all, they are much easier to sew on your garment than hooks and eyes.

They come in all sizes and in black and white; 10 cents the card. In the Notion section.
